1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of TCWS.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

TCWS just received a significant increase 2 years ago, but pollution to our lake, water line leaks, sewage backups and overflows, poor water quality and substandard customer service are what Tega Cay is still left with. NO INCREASES are warranted.

We deal with regular water line breaks and sewage backups and overflows due to lack of improvements to the systems by TCWS. Please make TCWS accountable for the keeping their water and sewer systems up to date -- not put the burden on the citizens of Tega Cay.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

I will be attending.
